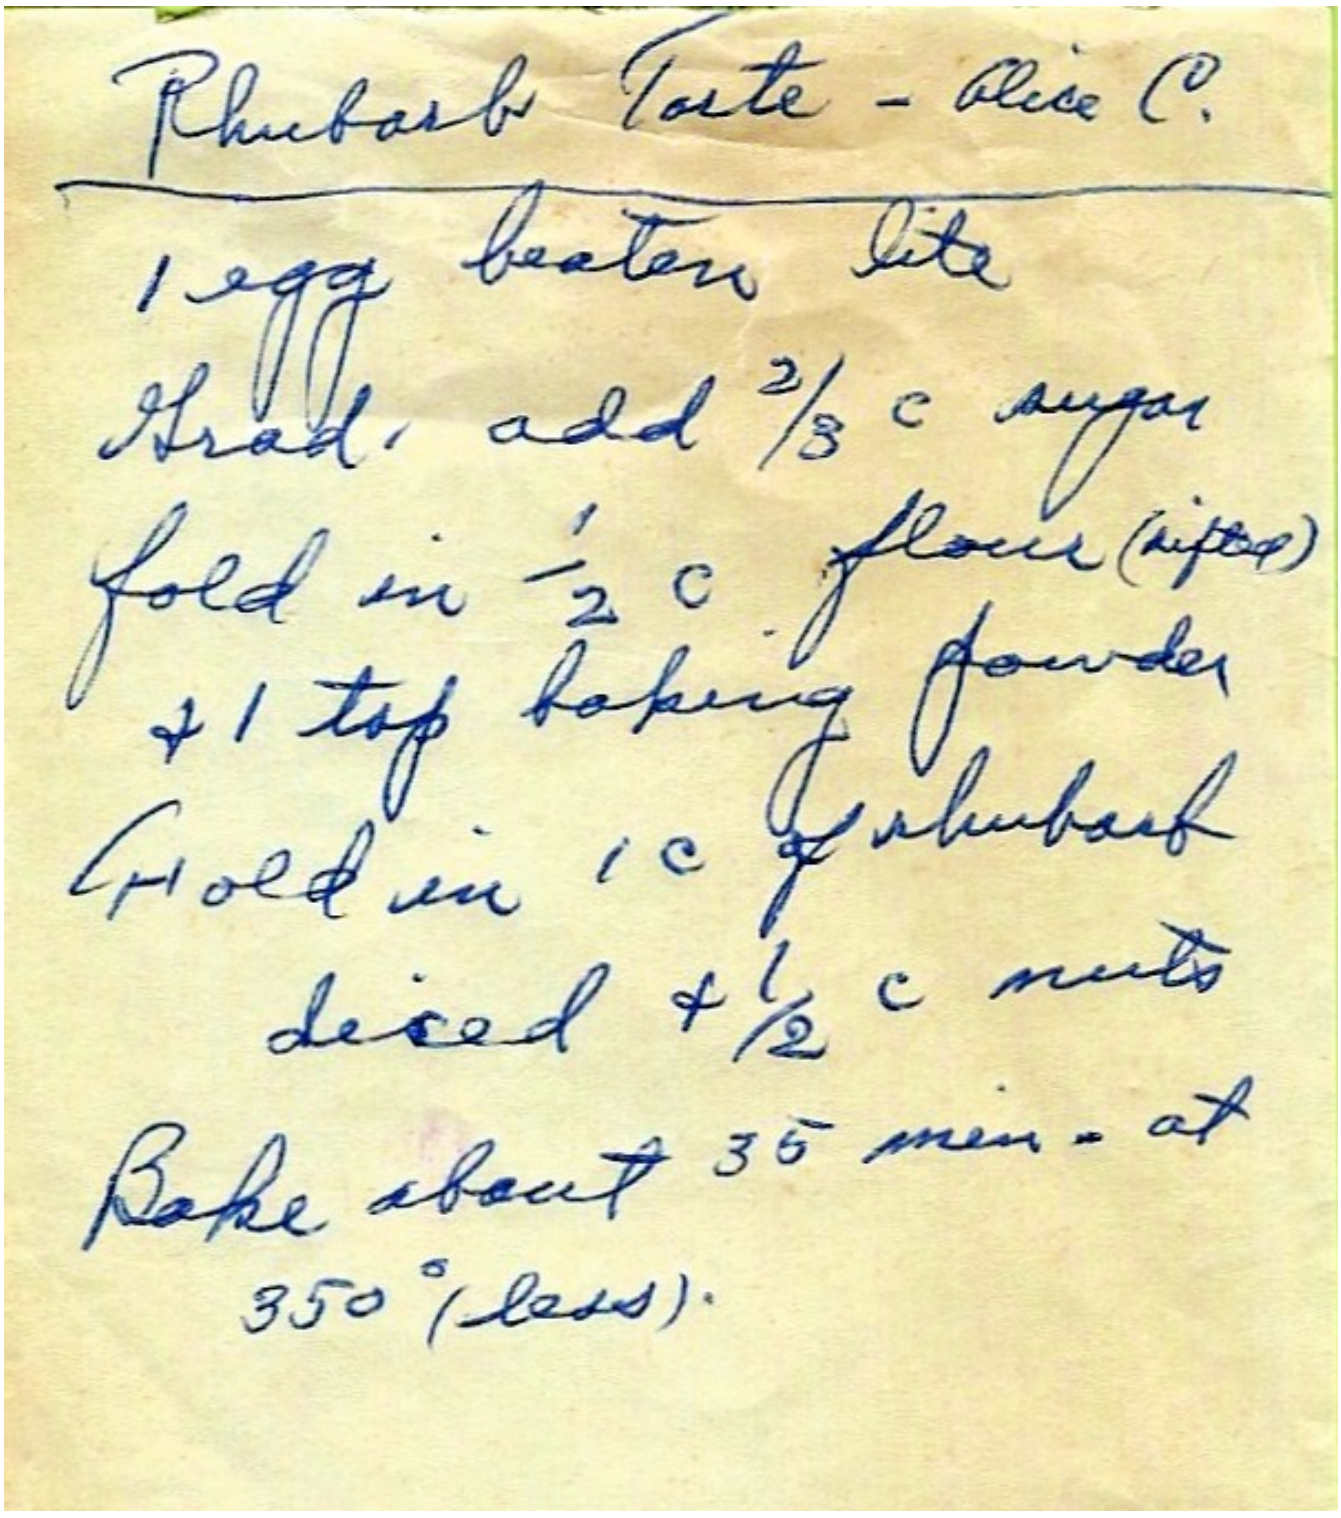
Alice’s Rhubarb Torte

Alice’s Rhubarb Torte keeps things wonderfully simple: one egg, a little flour and sugar, fresh rhubarb, and a handful of nuts. The handwritten recipe comes together with just a few folds of the spoon before heading into the oven—a small, unfussy dessert with rhubarb doing most of the talking.



Rhubarb Torte - Alice C.

1 egg beaten lite
Grad. add 2/3 c sugar
fold in 1/2 c flour (sifted)
+ 1 tsp baking powder
Fold in 1 c rhubarb
diced + 1/2 c nuts
Bake about 35 min. at
350° (less).
