

## Myrtle's Punch

Myrtle's Punch doesn't fuss around with a long ingredient list. Hawaiian Punch, lemon juice, and a big bottle of Squirt are all it takes to fill the punch bowl, with enough to serve about twenty people. This handwritten recipe was clearly prepared for one thing: a crowd with empty cups.

1 can Hawaiian Punch  
1 small can lemon juice  
1 large bottle of Squirt  
Ample for 20 persons.
