

Violet's Coffee Cake

Violet's Coffee Cake is a simple old fashioned cake made with brown sugar and nut meats. The handwritten recipe gives only the ingredients, oven temperature and baking time, leaving the mixing and assembly method to a cook who apparently already knew exactly what to do.

1/2 c shortening

1 c sugar

2 eggs

1 1/2 c flour

1 tsp baking powder

pinch salt

1 c brown sugar

1 egg white

1 c nut meats

350° – 40 min.
